by Rotary District 2080

Location: Magliano Sabina - Lazio

Purpose: Education to the principles of diversity, inclusion and friendship. We organize a Camp where members of Rotary/Rotaract/Interact can share few days with their friends with medium-low level disabilities. It is a great experience where our clubs can give an example of actual social integration.

During all those 4 days we will organize recreational and sporting activities oriented to fun, with the support of our organizational group made up of Rotarians, Rotaractians and Interactians.

Our district will host 20 friends from disabilities from Italy and abroad and 20 members of Rotary/Rotaract/Interact (who will be sharing the rooms). Hospitality includes meals from April 22, 2023 until lunch on Sunday 25 April 2023 and 3 days of overnight stay.
