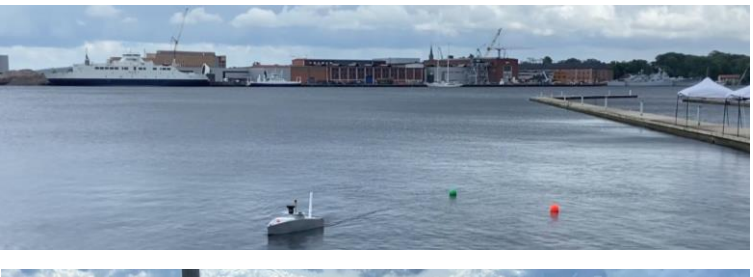
Horten Rotary Club 6.-9. August

Horten Rotary Club invites you to explore the rich history of our town through the transitions from the Viking age to the naval base shipyard and on to the present-day electronic industry.

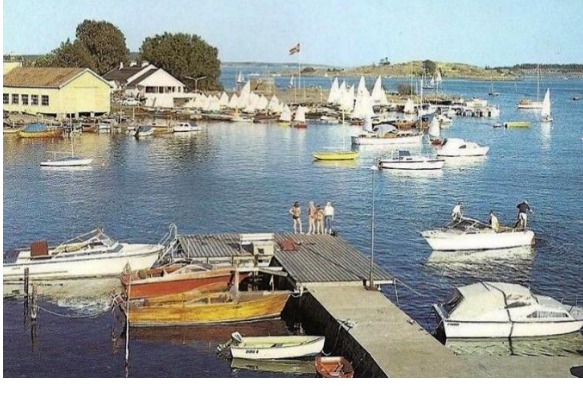
You will participate in activities both on land, in- and on water with a particular focus on safety on- and around water.

Let's meet up in Horten this summer!

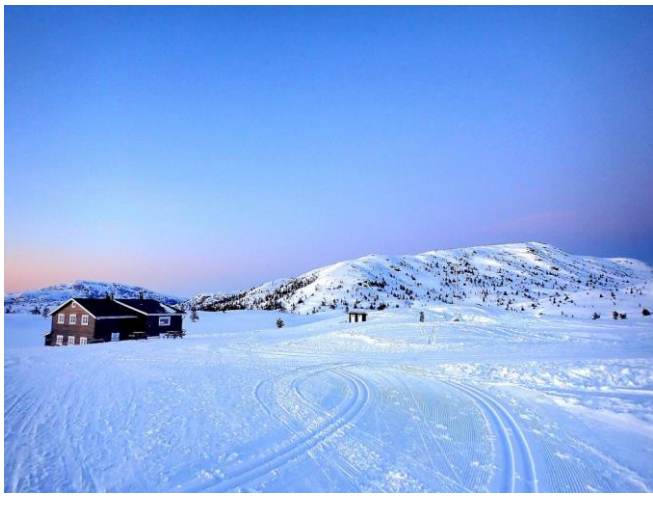


Nøtterøy Rotary Club 9.-12. August

We are looking forward to inviting you to Færder National Park and Tønsberg, the oldest city in Norway. The National Park is excellent for exploring the coastal life. You will be participating in activities on both land and sea, and maybe go for a swim in the salty water of the Oslo fjord. In Tønsberg, we will be showing you replicas of several Viking ships, and also give you an insight into our history from the Viking- and Middle Ages.



Bø Rotary Club 12.-15. August

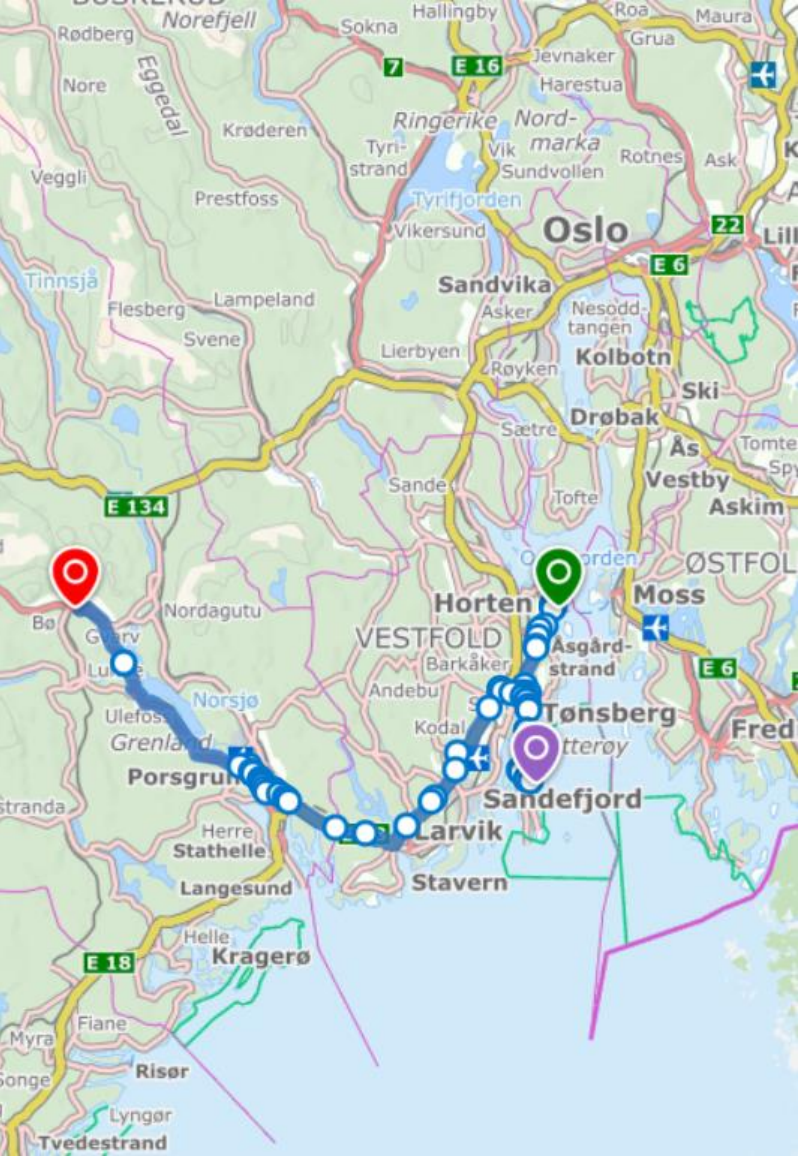


Welcome to Bø in Telemark! Bø is a charming small town in the heart of Telemark, often called "Norway in miniature." The Bø Rotary Club can't wait to show you around our beautiful area.

Bø is home to a campus of the University of Southeast Norway, so there's always something happening. Folk music has a strong position in Norway, and Bø is an important center for this culture and has some of the country's top talents.

Bø is also a tourist destination, with popular attractions as the mountain area Lifjell and Norway's biggest waterpark Bø, Sommarland.

Come explore Bø and see what makes it special!



Does this sound like your type of summer fun? We hope to see you!

We hope you would like to discover the real Norwegian southern summer with swimming, crab fishing and inland tours to the mountains. There will also be plenty of time for shopping and joyful time together with new friends from all around the world.
