## Camp Overview

Discover Moravia 2026 is a 12-day  
Rotary Summer Camp in Czechia for  
14 international students aged 15–18.

The camp takes place in Czechia  
(towns Zlín, Uherský Brod and  
Kroměříž), and combines culture,  
sports, outdoor adventures and  
creativity.

The unifying theme of the camp is  
mobile photography – participants  
explore the country and tell their  
personal Czech story through photos  
and short texts.

The language of the camp is **English**.

**JULY 31 TO AUGUST 13, 2026 - €250 - AGE 15 TO 18**

## Programme

The camp is divided into three 4-day blocks, each hosted by a local Rotary Club. Each block follows the same structure, with different local content:

- **Discover Culture Day** – local culture, traditions, gastronomy
- **Move & Play Day** – sports and outdoor activities
- **Adventure Day** – trips, hiking, nature experiences
- **Get Creative Day** – creative workshops, reflection and storytelling

On the first day, participants attend a professional Mobile Photography Workshop, learning basics of composition, light, editing and ethical use of photos and social media. Throughout the camp, students take part in the photo challenge “Discover Moravia”.
